

Work Program of Least Developed Countries Fund December 2020

29th LDCAF/SCCF Council Meeting
11 December 2020

A world map with a dark gray background. Countries are colored in two shades: a dark reddish-brown and a medium brown. The dark reddish-brown countries include the United States, Canada, Mexico, Russia, India, and several countries in South America (Venezuela, Colombia, Ecuador, Peru, Brazil, Chile, and Argentina). The medium brown countries include the United Kingdom, France, Germany, Italy, Spain, China, and most of the countries in Africa, Asia, and Australia. The text "Context in the time of COVID-19" is overlaid in white, with a horizontal line below it.

Context in the time of COVID-19

LDCs at a greater risk

December 2020 LDCCF Work Program

9
projects

\$63.87
million

3 MTF

81% LDCs
supported
in 2.5 years

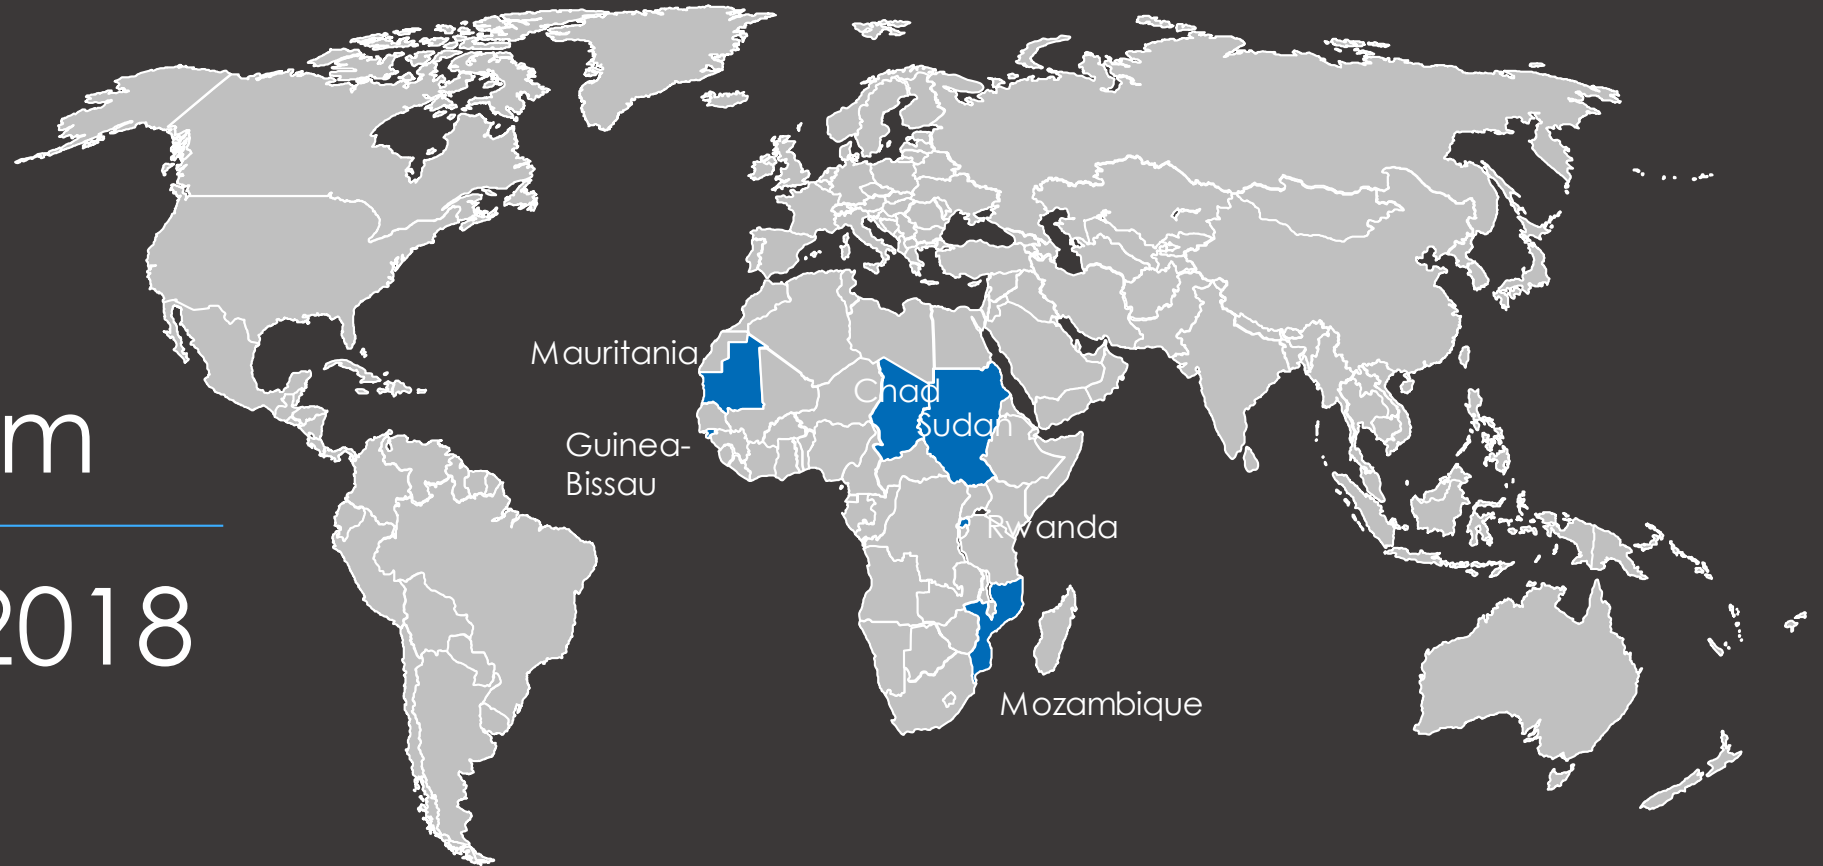

A world map with a dark gray background. Countries are outlined in thin white lines. A subset of countries is highlighted in a dark red color, indicating GEF-GCF coordination regions. These include the United States, Canada, Mexico, Russia, India, Brazil, and several countries in Europe and Asia. The text 'GEF-GCF Coordination' is overlaid in white, with a horizontal white line underneath it.

GEF-GCF Coordination

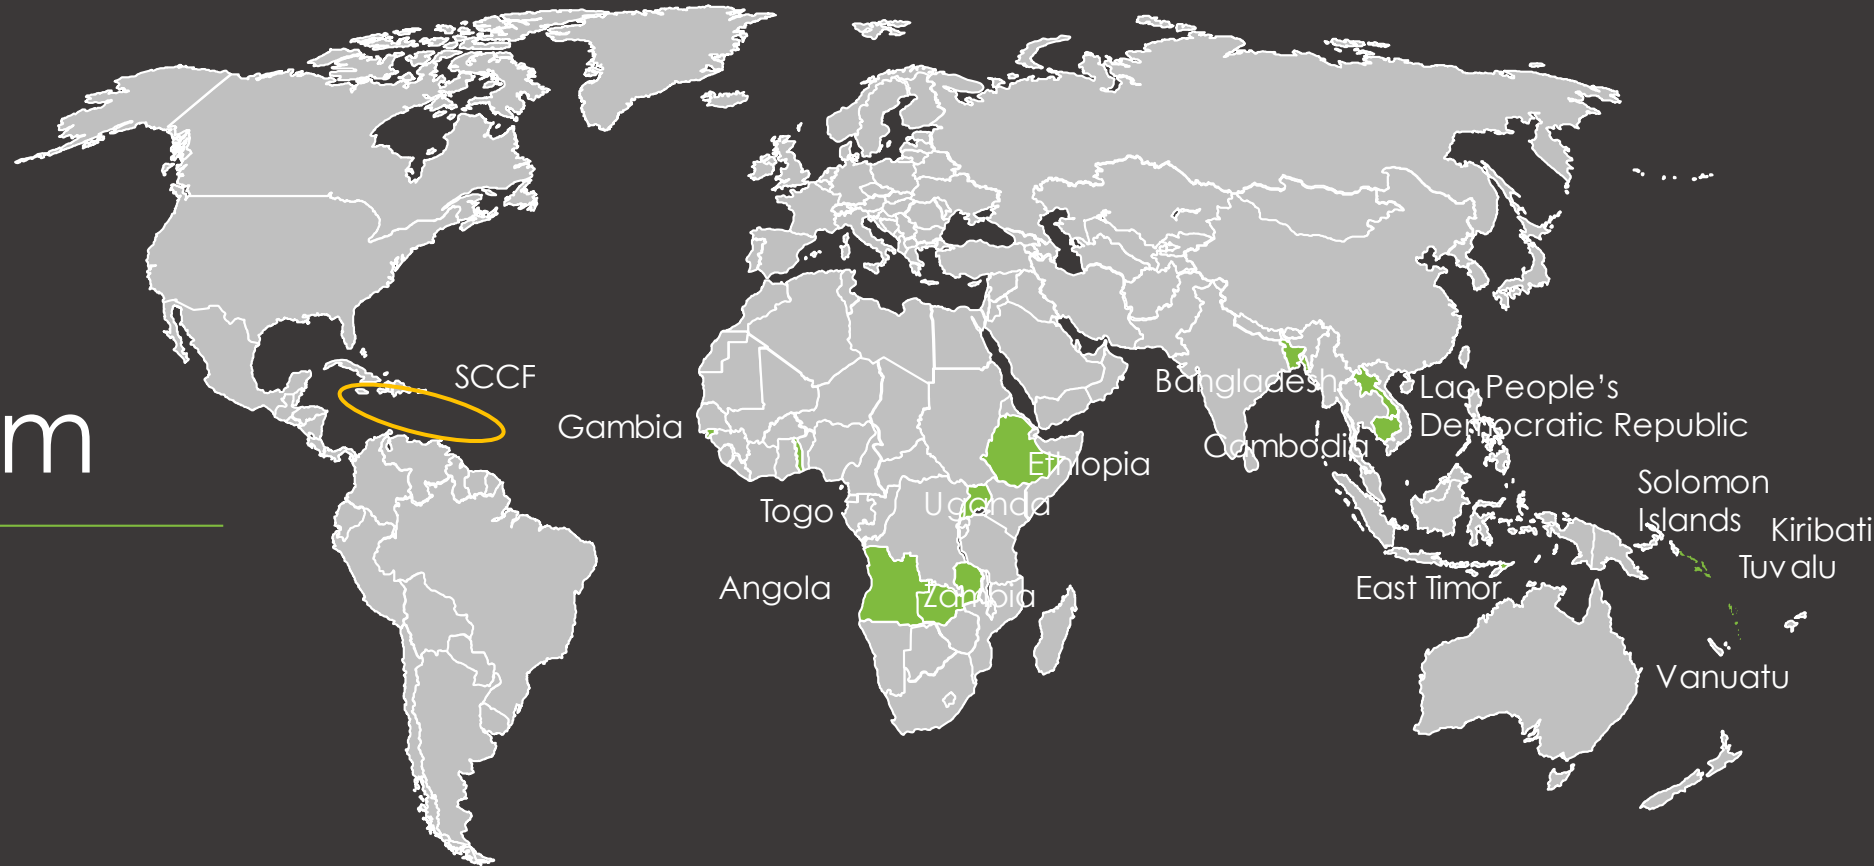

1st LDCF Work Program

December 2018

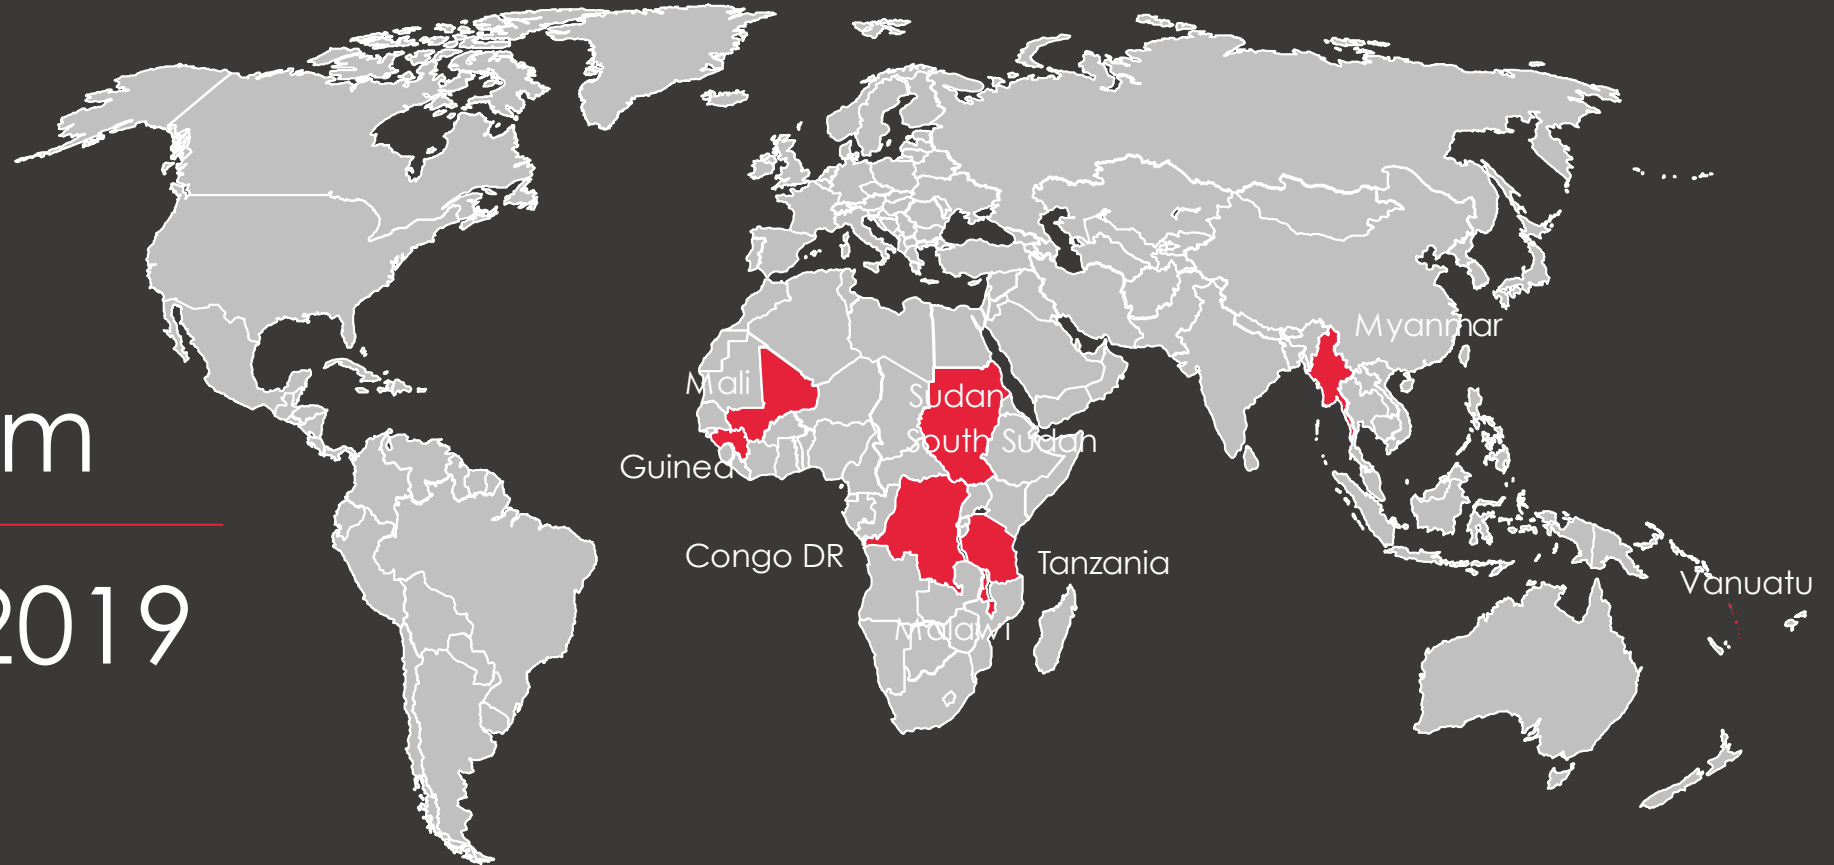

2nd LDCF Work Program

June 2019

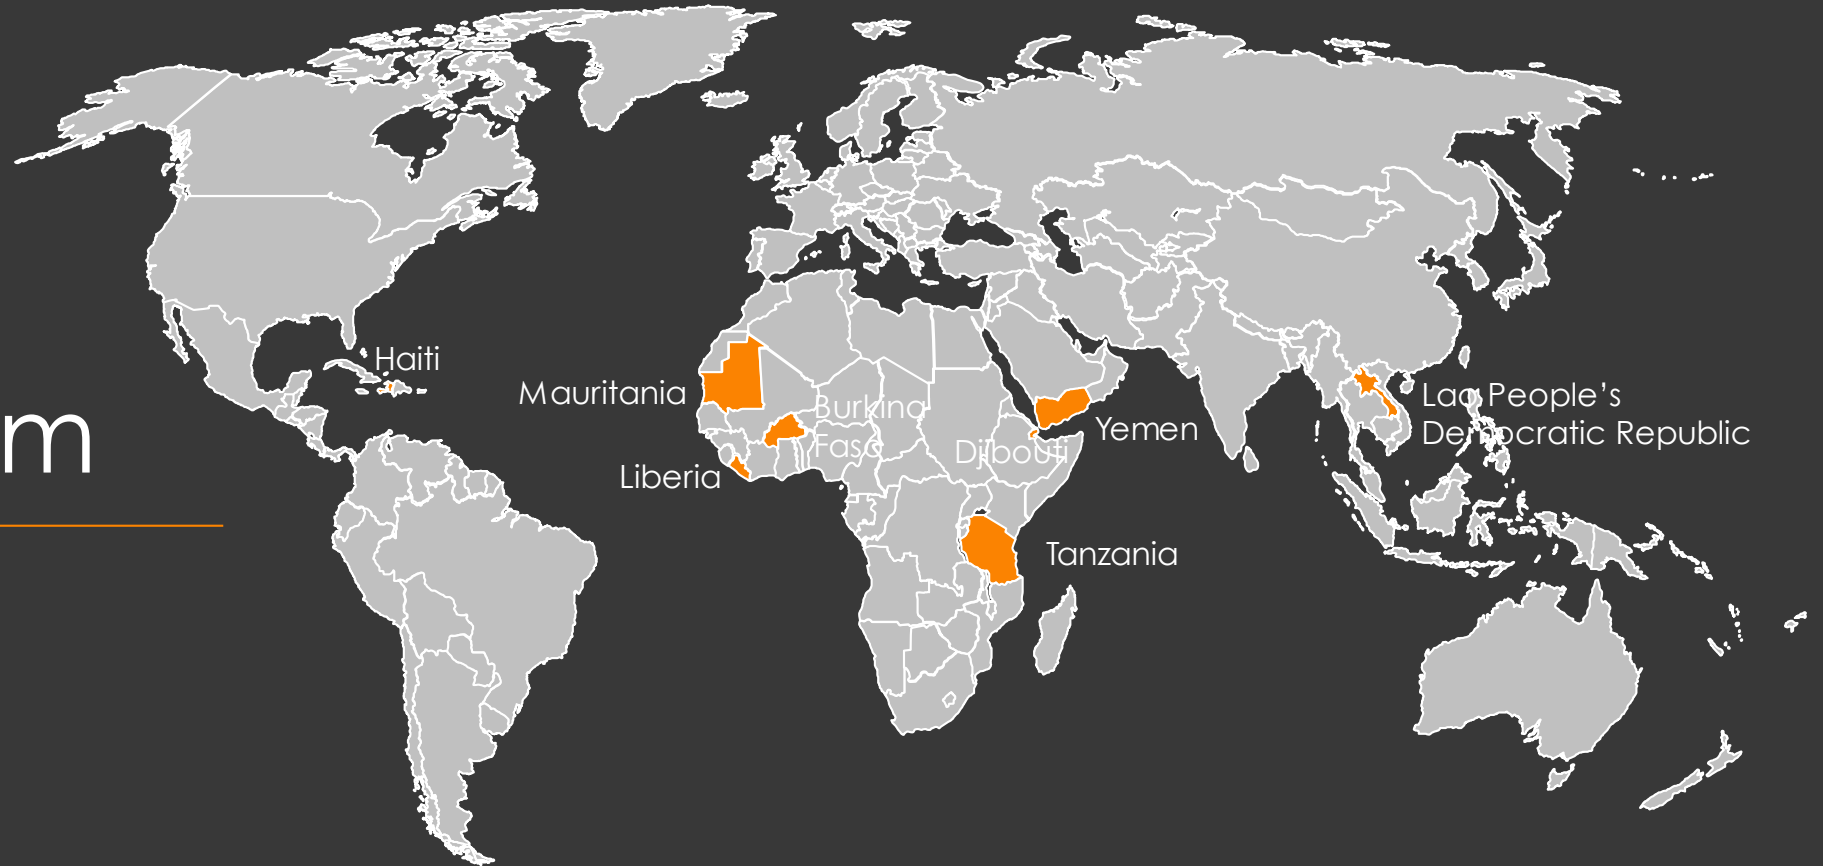

3rd LDCF
Work Program

December 2019

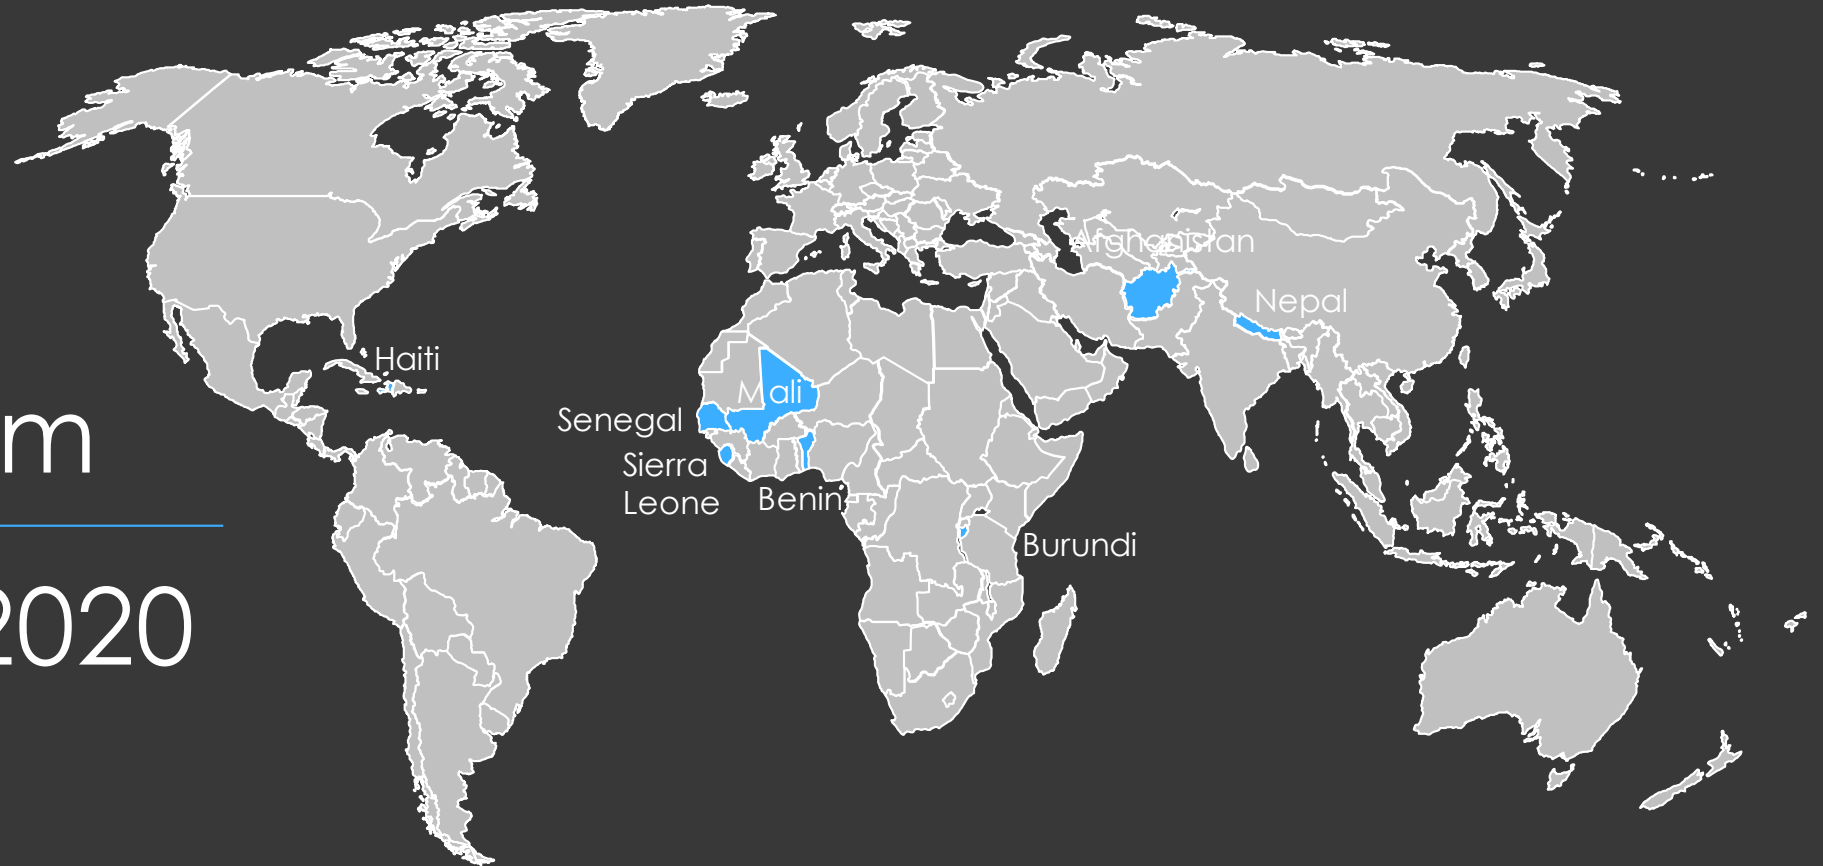

4th LDCF Work Program

June 2020

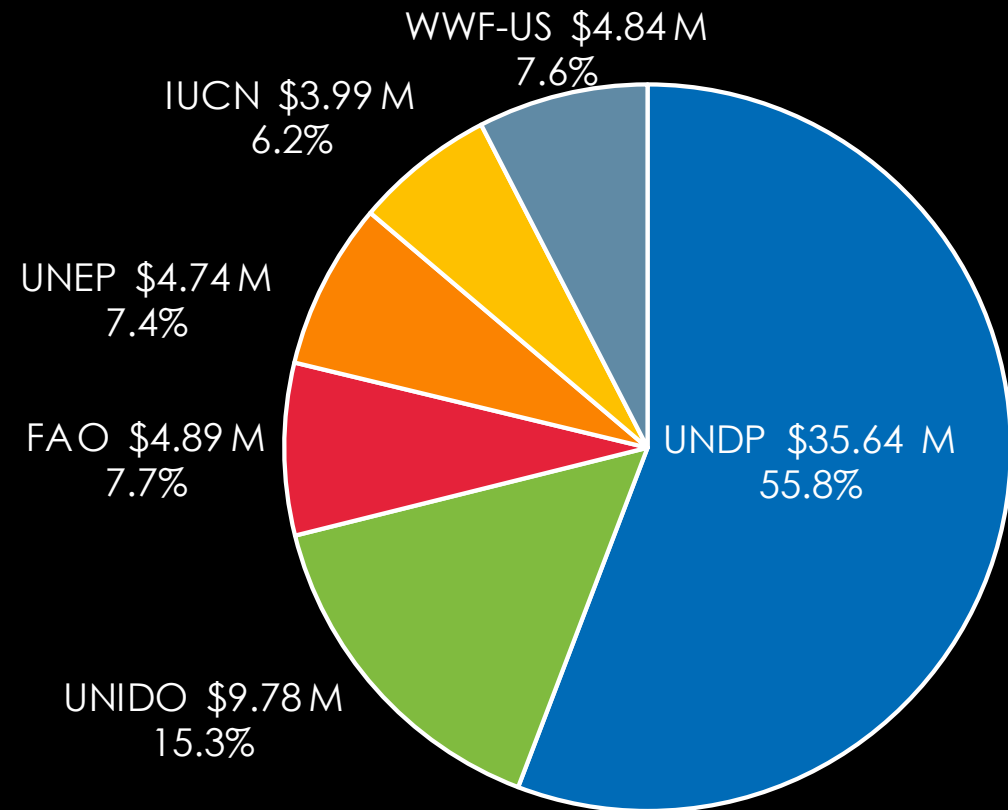

5th LDCF
Work Program

December 2020

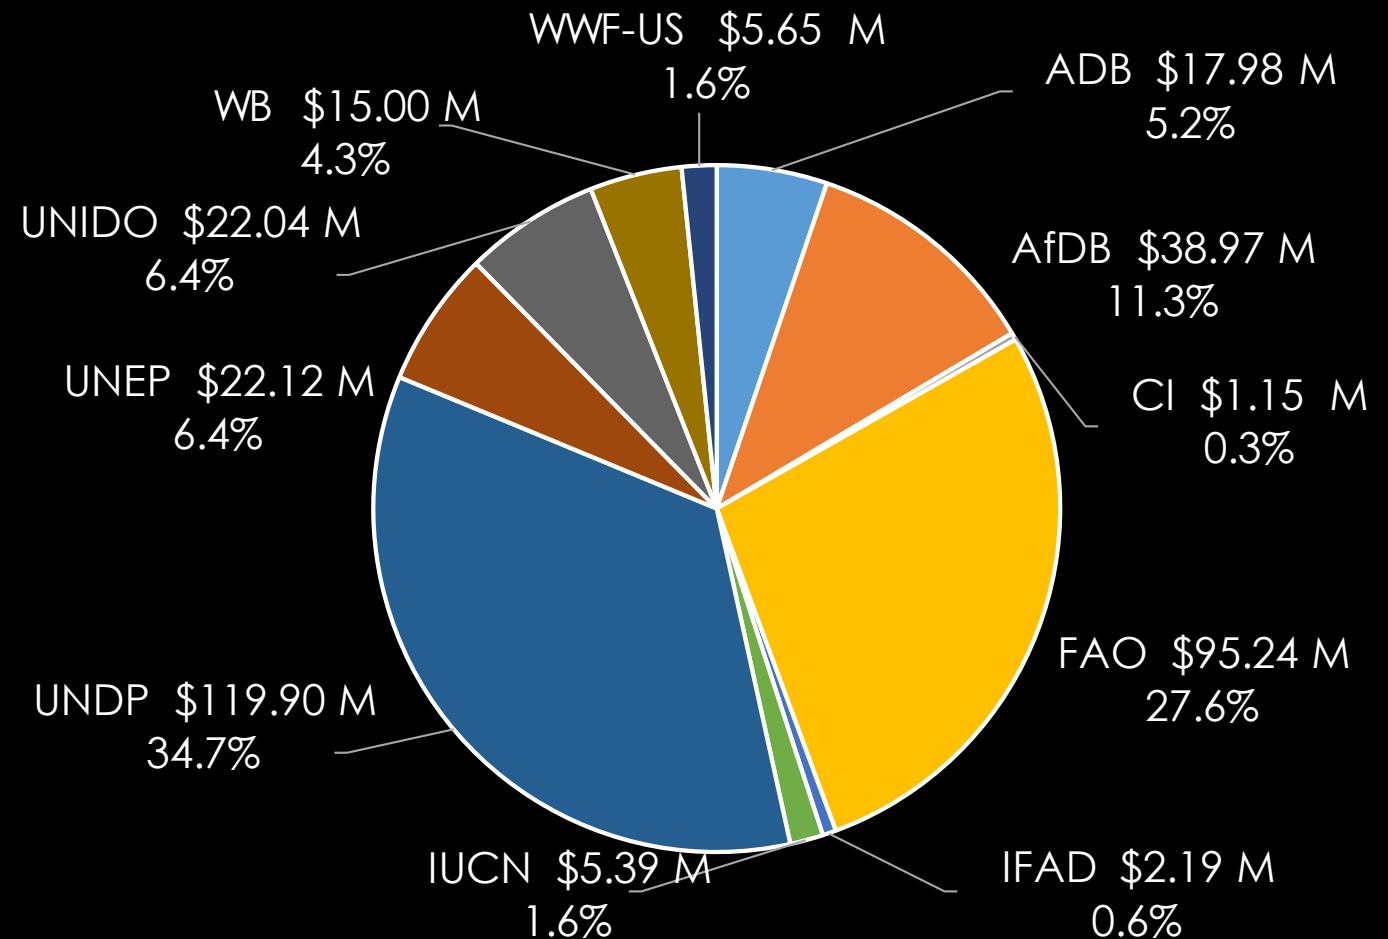

Agency Distribution (LDCF)

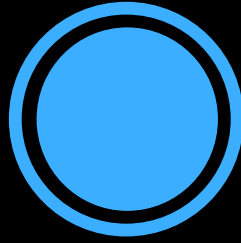

Resources Requested for
Dec 2020 Work Program

GEF-7 Cumulative distribution
(including Dec 2020 Work Program)

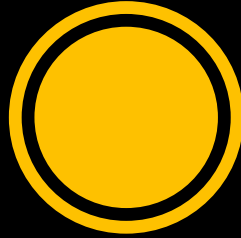

**All 9 projects
respond to
ambition and
requirements of
GEF Policy on
Gender Equality**

All projects considered gender issues in initial design

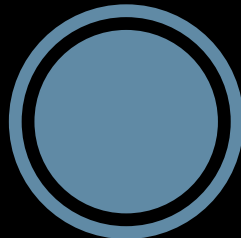

All projects include gender disaggregated beneficiaries

All projects to develop sex-disaggregated, gender-sensitive indicators

All projects clarify plans for gender analysis and gender action plan during PPG

Many projects identified actions to address women's barrier to decision making

Expected LDCF Results

- 9 projects to deliver adaptation benefits
- Tracking four Core Indicators identified in new results architecture aligned with GEF TF reporting features

Direct Beneficiaries

1.1 M persons
0.52 M female

Land under climate resilient management

395,200 ha

Policies, plans, development framework

62 policies
and plans

People with enhanced capacity

25,580 persons
11,686 female

Thank you!
