

GEF SGP Side Event :
Launch of Local to Global Coalitions on
Chemicals, Waste and Mercury

Date: 29 Sept 2017

Time: 13:15-14:45PM

Venue: CIG Room 2

About the Side Event:

This side event serves as a platform to **launch the Local to Global Coalitions on Chemicals, Waste and Mercury Management**, aimed to develop civil society organizations and local communities' capacity, awareness, and knowledge exchange on chemicals, waste and mercury management, and discuss collaboration opportunities to promote effective implementation of the related conventions.
